

LEST THEY BE FORGOTTEN™

The Cook family is proud to announce the recent addition of the 7-part video series, Lest They Be Forgotten, to their Lending Library. This new video series of powerful documentaries is based on the first-hand accounts of soldiers who survived the D-Day invasion, the Battle of Iwo Jima, the Korean War and the Vietnam War. Audiences, young and old alike, find that these films bring history to life and provide very stirring testimonies to the struggle for freedom.
