

Cook Caregiver OF THE MONTH

March's honorary Cook Caregiver of the Month is...

Stephenie Hoving

Stephenie has worked as a CNA at Laurels of Hudsonville for just under one year but her eyes and smile radiate a sense of peace and compassion. She shared that in caring for a patient one not only develops a relationship with that person but also with the family. Recently when a patient passed away she found she shared the loss and pain experienced by the family as well as a sense of joy for the person who was now released from pain and suffering.

To Stephenie, being a caregiver means that at the end of the day you have the assurance others know they can count on you. You realize that along the way you have developed meaningful relationships, with fellow caregivers and with those needing your care. She will always treasure the words of the patient who told her, "Your mother raised a fine young lady." She wants to live up to those words.

Please consider nominating a Caregiver in your life. Submit your nomination online at www.cookfuneralservices.com or send to:

Cook Caregiver of the Month
4235 Prairie Street SW
